Acuity Advisers

Acuity Advisers holds an Australian Financial Services Licence. It is required to comply with the obligations of the Corporations Act and the conditions of its licence.

This includes the need to have adequate compensation arrangements in place with a Professional Indemnity insurer for the financial services that it and its current and past representatives provide.

Not Independent

We do not charge you a fee for our advice on risk insurance policies as we are paid a commission by the product provider. Our advice on risk insurance is therefore not independent, impartial or unbiased. In all other cases, we charge a fee for our advice services and do not receive commissions or other payments from product providers.

The financial advice process

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice (SoA) which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

For administration platforms, managed funds and personal risk insurance products we will provide you with a Product Disclosure Statement. This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about our advice and the products we recommend.

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice it will be documented in a Record of Advice which we retain on file.

You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

Annual Advice Fee

Our annual fee depends on the services that we provide to you. It will be charged as a flat fee or as a % of your portfolio value and is paid monthly. This fee will be agreed with you each year. We will let you know what the fee will be in the SoA.

Insurance Commissions

We receive a one-off upfront commission when you take out an insurance policy we recommend. We also receive a monthly commission payment for as long as you continue to hold the policy. The commission will vary depending on the recommended product and will be documented in the SoA or RoA.

Other Benefits

We may receive other benefits from product providers such as training, and entertainment. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.
